# Endangered Species Conservation Program (PROCER) Report

**XXI Meeting of the Canada/México/US Trilateral Committee  
for Wildlife and Conservation and Management  
May 17 2016**

# PROCER

## Objective:

- Conservation of Endangered Species.

## Vision:

- Integrated Approach:
  - Species.
  - Habitat.
  - Human Communities.

## PACE:

- Species Conservation Action Plan.
  - 45 Recovery Plans (2016).
  - 60 Recovery Plans (2018).

**PROCER**  
PROGRAMA DE CONSERVACIÓN  
DE ESPECIES EN RIESGO

# PROCER

20011 – 2015

- 452 Conservation Projects.
- 97 Wildlife Species.
- 171 Natural Protected Areas.
- 200 Partners:
  - Universities.
  - NGO's.
  - Landowners.
  - Communities.

## PROCER 2015

- 172 Projects.

### Conservation of Shared Common Species:

- Jaguar: 23 Projects.
- Marine Turtles: 15 Projects.
- Golden Eagle: 8 Projects.
- Pronghorn: 3 Projects.
- Black Tailed Prairie Dog: 2 Projects.
- California Condor.
- Mexican Wolf.
- Bison.
- Black Bear.
- Thick Billed Parrot.
- Marine Mammals.

# PROCER

2016

- 249 Proposals.

Conservation Shared Common Species:

- Jaguar: 23 Projects.
- Marine Turtles: 15 Projects.
- Golden Eagle: 8 Projects.
- Pronghorn: 3 Projects.
- Black Tailed Prairie Dog: 2 Projects.
- California Condor.
- Mexican Wolf.
- Bison.
- Black Bear.
- Thick Billed Parrot.
- Marine Mammals.

## 2016 PACE JAGUAR.

### Conservation Programs: 31.

### Key Conservation Actions:

- Second National Census.
- Jaguar Field Prey Survey.
- Species and Population Monitoring.
- Habitat Restoration and Connectivity.
- Community Conservation Participation.
- Predation Compensation Program.
- Sustainable Livestock Husbandry Practices.
- Captive Population Management.

## 2016 PACE GOLDEN EAGLE.

### Conservation Programs: 09.

#### Key Conservation Actions:

- Population Survey.
- Nesting Site Survey.
- Feeding Areas Survey.
- Community Participation.
- Habitat Evaluation and Restoration.
- Identification of Biological Corridors.
- Education and Public Awareness.

## 2016 PACE PRONGHORN.

### Conservation Programs: 04.

### Key Conservation Actions:

### Baja California, Chihuahua, Sonora.

- Population Survey.
- Habitat Evaluation and Restoration.
- Habitat Use and Distribution.
- Identification of Biological Corridors.
- Community Participatiion.
- Semi Captive Breeding.
- Translocation Practices.
- Eduaction and Public Awareness.

## 2016 PACE MEXICAN WOLF

### Conservation Programs: 01.

#### Key Conservation Actions:

- .
- Reintroduction of Captive Animals.
- Population Survey and Monitoring.
- Wild Population Management.
- Predation Compensation Program.
- Promotion of Sustainable Husbandry Practices.
- Identification of Biological Corridors.
- Community Participation.
- Education and Public Awareness.

## 2016 PACE CALIFORNIA CONDOR

### Conservation Programs: 01.

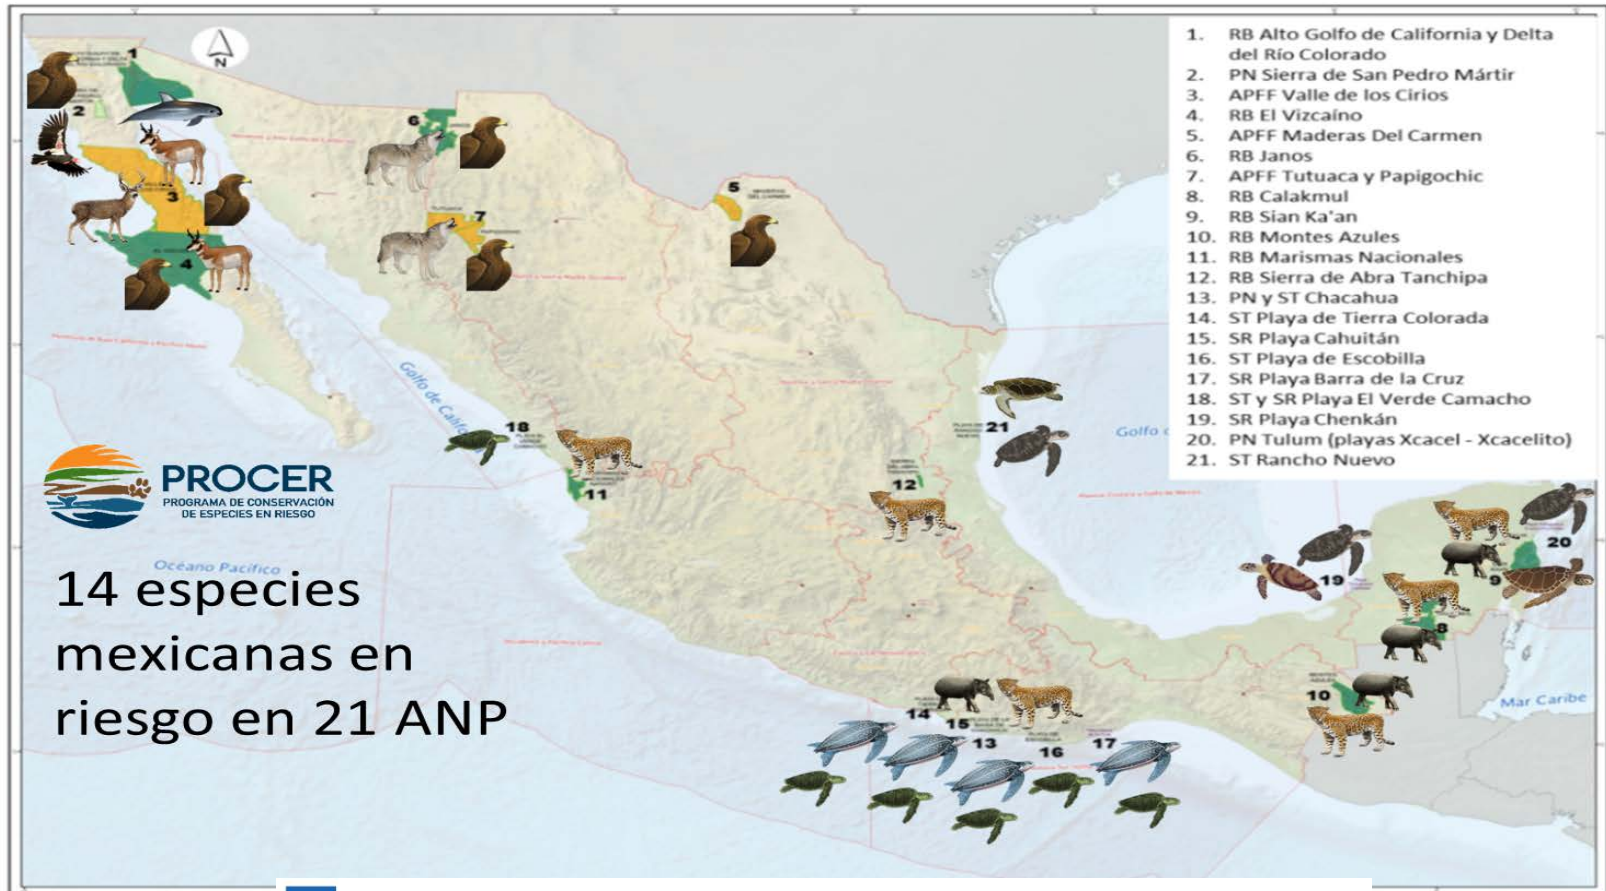

### Key Conservation Actions:

- 
- Reintroduction of Captive Animals.
- Population Survey and Monitoring.
- Wild Population Management.
- Development of Management Infrastructure.
- Education and Public Awareness.
