

EXECUTIVE WORKING TABLE
Action Items Report
2014 Trilateral Committee Meeting
Queretaro, Mexico
5/29/2014

The Working Table conducted its working session on May 28 to 29, 2014. The following Action Items were agreed upon.

Action	Responsible Party	Due	Date Completed
Action Item 1 – No Action			
Goals:			
Milestones:			
Results:			
Action	Responsible Party	Due	Date Completed
<p>Action Item 2 – Country Updates The countries presented their country reports which were extremely interesting and useful. These were very impressive in terms of the scope of activities as well as challenges.</p> <p>These will be available on the Trilateral Committee website (www.trilat-org) by June 4th.</p>	TCC	June 4, 2014	June 2014
Goals:			
Milestones:			
Results:			
Action	Responsible Party	Due	Date Completed
<p>Action Item 3 – Action Item Reports</p> <p>The Executive Table (ET) discussed reporting from the working tables. We acknowledge there are 2 reports (accomplishments of the previous year and the reports on the discussion that take place at the annual meetings).</p> <p>The ET made changes to the AIR format in order to accurately reflect the following:</p> <ol style="list-style-type: none"> 1. What are the issues the tables working on 2. What barriers have they encountered in meeting their objectives 	TCC	June 12	June 2014

<p>3. How can the ET support them to meet these objectives</p> <p>The AIRs will retain the following data fields: specific action, responsible party, due date and date of completion. The data fields addressing goals, and milestones are replaced by a new data field addressing supporting requirements/actions needed from the ET.</p> <p>The table agreed that Co-chairs will submit the previous year accomplishments using this revised version to the TCC for the ET to review.</p> <p>The TCC will provide the revised version to the Co-chairs by June 12th.</p> <p>Co-chairs are to submit completed AIR's to the TCC in the revised version one month prior to the annual meeting. The TCC will provide the AIRs to the ET for their review.</p> <p>WTs will continue linking the agendas to the themes.</p>

<p>Action Item 11- The Decline of the Monarch Butterfly and Addressing the Challenges</p> <p>The Mexican High Level Monarch Working Group (HLMWG), chaired by Mr. Luis Fueyo, Head of CONANP gave a presentation to the ET. Representatives of the three countries before this group conducted their first meeting at the Trilateral Committee on May 28, 2014.</p> <p>They indicated that the objectives were to identify the HLMWG members and agree on a path forward.</p> <p>The HLMWG agrees to review and update the Monarch Management Plan produced by the Commission for Environmental Cooperation in 2008. Each country will conduct that review internally followed by a joint review via webinar to share comments. In addition this group agrees to meet in a place to be determined in October/November of 2014 to finalize this new version.</p> <p>This new version will be delivered by the HLMWG to the Ministers of Environment of Mexico and Canada and the Department of Interior Secretary before the next meeting of the North American leaders to take place in January/February 2015.</p>
